Personal Data We Process

We process personal data that you provide when you contact us or request an offer through the website form, such as:

- name and surname;
- e-mail address;
- phone number, if provided;
- organisation or company name, if provided;
- the content of your message or request.

The website may also process technical data necessary for its functioning and security, such as basic server logs and necessary cookies.

Purposes and Legal Bases

We process personal data for the following purposes:

- to respond to your inquiry or request for an offer;
- to communicate with you regarding potential consulting or educational services;
- to maintain the security and proper functioning of the website;
- to comply with legal obligations, if a business relationship is established.

The legal basis for responding to inquiries and preparing offers is taking steps at your request before entering into a contract.

The legal basis for website security and technical functioning is our legitimate interest in maintaining a secure and functional website.

The legal basis for business and accounting records, where applicable, is compliance with legal obligations.

Providing personal data through the contact or offer request form is voluntary. However, if you do not provide the necessary contact information, we may not be able to respond to your inquiry or prepare an offer.

Cookies

This website uses only necessary cookies required for its basic functioning. We do not use analytics, marketing or profiling cookies.

Recipients

Personal data may be processed by service providers who support the operation of the website, e-mail communication and IT maintenance. These providers process personal data only to the extent necessary to provide their services.

Transfers Outside the EEA

We do not transfer personal data outside the European Economic Area.

Retention

Personal data submitted through the contact or offer request form are kept only for as long as necessary to respond to the inquiry and conduct related communication.

If a business relationship is established, relevant data may be kept for the period required by applicable accounting, tax and legal regulations.

Your Rights

You have the right to request access to your personal data, rectification, erasure, restriction of processing, data portability where applicable, and the right to object to processing based on legitimate interest.

You can exercise your rights by contacting us at info@consultalign.com.

You also have the right to lodge a complaint with the Croatian Personal Data Protection Agency.

Automated Decision-Making

We do not use automated decision-making or profiling.
